1. What Are Cookies? Cookies are small text files placed on your computer or mobile device when you visit a website. They are widely used to make websites work more efficiently, enhance user experience, and provide vital operational information to the site owners.

2. How We Use Cookies Our website uses cookies to distinguish you from other users. This helps us provide you with a seamless experience when you browse our site, ensuring our platform functions with high excellence and allows us to continually improve our digital presence.

3. Types of Cookies We Use We use the following categories of cookies:

- **Strictly Necessary Cookies:** These are essential for the operation of our website. They include, for example, cookies that enable you to securely log into our Donor Portal and process donations safely.
- **Analytical/Performance Cookies:** These allow us to recognise and count the number of visitors and see how visitors navigate our website. This helps us improve the way our website works, ensuring users find information about our mission, operations, and the 21-year journey easily.
- **Functionality Cookies:** These are used to recognise you when you return to our website. This enables us to personalise our content for you and remember your preferences.

4. Third-Party Cookies Please note that third parties (including, for example, secure payment providers used for processing donations and web traffic analysis services) may also use cookies, over which we have no control. These cookies are typically analytical or performance cookies.

5. Managing Your Cookies You can block cookies by activating the setting on your browser that allows you to refuse the placement of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies), you may not be able to access all or parts of our website, including the secure donor login areas.

6. Contact Us If you have any questions about our use of cookies, please reach out to us:
